The Honorable Rosa DeLauro  
Ranking Member  
House Committee on Appropriations  
1036 Longworth House Office Building  
Washington, D.C. 20515

Dear Chairwoman Granger and Ranking Member DeLauro,

I am requesting funding for the White Oak Bayou Regional Wastewater Treatment Facility Repair and Upgrade in fiscal year 2024. The entity to receive funding for this project is the City of Jersey Village, located at 16327 Lakeview Drive, Jersey Village, Texas, 77040. The funding will be used for headworks and clarifier replacements at the facility. The project is an appropriate use of tax dollars because it will preserve critical infrastructure for approximately 10,000 people in Jersey Village, Texas, and because it will help a regional wastewater treatment facility maintain Clean Water Act standards. Specifically, it will reduce pollutants in local water and improve the facility's ability to disinfect effluent before it is discharged back into the environment.

The project has a federal nexus because the funding provided is for purposes authorized by Title VI of the Clean Water Act, 33 U.S.C. 1381 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in black ink, appearing to read "Wesley P. Hunt", with a stylized flourish extending from the end.
